

It's a Great Time to Plan a Scrip Vacation

If you live in the North, chances are the wind is blowing cold and dry and there are several feet of snow on the ground. In the South, it's not cold and snowy, but it's not tropical either. Wherever you live, now is a great time to plan a vacation.

Get out and enjoy the winter weather skiing or escape the cold entirely and go somewhere warm and tropical.

East coast skiers can try Smuggler's Notch, Vermont, a family-friendly ski resort regularly on top ten best skiing lists. While skiing at Smuggler's Notch, stay at the **Nye's Green Valley Farm** using your **BedandBreakfast.com** gift certificates. West Coast skiers can ski the Lake Tahoe area where a stay at **Marriott's Timber Lodge** will make it truly memorable.

For those pining for a tropical sun-soaked destination, Great Lakes Scrip Center has certificates for Celebrity and Carnival Cruise Lines – and **American Airlines** to get you to your port of departure. **Carnival Cruise Lines** has a cruise that departs from Los Angeles and travels down the Mexican coast all the way to Puerto Vallarta. **Celebrity Cruises** will take you to places like St. Thomas and St. Lucia in the Caribbean out of San Juan, Puerto Rico.
